

**ACADEMIC TRANSFER DEGREE PROGRAMS**

**UNIVERSITY BACHELOR'S DEGREE TRANSFER PROGRAMS**

A student who intends to transfer to a four year college or university after attending Pearl River Community College should follow a university (academic) bachelor's degree transfer program of study. A student following a transfer program of study has the opportunity to earn the Associate in Arts degree and can typically transfer up to one-half of the total semester hours required for a bachelor's degree at a university or four year college. A PRCC student may transfer into any of the bachelor's degree programs listed below that have been approved by the Board of Trustees of State Institutions of Higher Learning to be offered at public universities in Mississippi. Many similar programs are also available at private colleges in Mississippi and at public and private colleges and universities in other states. Since the courses required for these programs vary from one university to another, Pearl River Community College does not list specific course requirements for them. The student is advised to consult the catalog of the university offering the program and to seek advisement from an academic counselor or a faculty member in the PRCC department that is shown. Universities and PRCC departments are identified at the end of the program listing. (This listing is based on information obtained from the Board of Trustees of State Institutions of Higher Learning at [www.ihl.state.ms.us](http://www.ihl.state.ms.us).)

A student who plans to major in pre-dentistry, pre-law, pre-medicine, pre-pharmacy, or pre-veterinary medicine should select a bachelor's degree program and elect specific courses as required for admission by the appropriate professional school. Dentistry and medicine are available at the University of Mississippi Medical Center, as are graduate degree programs in occupational therapy and physical therapy. Law and pharmacy are available at the University of Mississippi. Veterinary medicine is available at Mississippi State University. Students in pre-dentistry, pre-medicine, pre-pharmacy and pre-veterinary medicine are advised by faculty in the Department of Science, Mathematics, and Business. Students in pre-law are advised by faculty in the Department of Humanities and Social Sciences.

ASU is Alcorn State University (Lorman); DSU is Delta State University (Cleveland); JSU is Jackson State University (Jackson); MSU is Mississippi State University (Starkville); MUW is Mississippi University for Women (Columbus); MVSU is Mississippi Valley State University (Itta Bena); UM is the University of Mississippi (Oxford); UMMC is the University of Mississippi Medical Center (Jackson); and USM is the University of Southern Mississippi (Hattiesburg).

FAC is the Department of Fine Arts and Communication; HPR is the Department of Health, Physical Education, and Recreation; HSS is the Department of Humanities and Social Sciences; and SMB is the Department of Science, Mathematics, and Business.

NOTE: Students who are pursuing a bachelor's degree in Nursing are advised by counselors in the Counseling, Advisement, and Placement Center.

## ACADEMIC BASIC CORE

A student who is working toward a bachelor's degree but has not yet decided upon a degree program (major field of study) is usually advised to follow the basic core curriculum during the freshman year. It is suggested that all students choose a major field of study before beginning the sophomore year. Failure to do so may result in the student taking courses that do not apply toward the chosen bachelor's degree program.

### **ENGLISH:**

English Composition I - ENG 1113 3 hours  
English Composition II - ENG 1123 3 hours

### **MATHEMATICS:**

College Algebra - MAT 1313 or higher numbered course 3 hours

### **NATURAL SCIENCES:**

Select from Biology, Chemistry, Physical Science or Physics (6 hours lecture, 2 hours laboratory) 8 hours

### **COMPUTER SCIENCE:**

\*Computer Concepts- CSC 1113 or higher 3 hours  
or BAD 2533 (NOTE: A student may not apply both CSC 1113 and BAD 2533 toward a degree.)

### **SOCIAL AND BEHAVIORAL SCIENCES:**

Select from History, Economics, Political Science, Psychology, Sociology, and Geography 6 hours

### **HUMANITIES:**

Literature 3 hours  
Select from Foreign Language, History, Philosophy, or another Literature course 3 hours

### **FINE ARTS:**

Music, Art, or Theatre Appreciation 3 hours

### **COMMUNICATION:**

Public Speaking I - SPT 1113 3 hours

### **PHYSICAL EDUCATION or ACTIVITY COURSES:**

2 hours

Total in Basic Core 40 hours

\*See Requirements for Graduation. This requirement is waived for a student who demonstrates computer proficiency by passing an examination or by providing acceptable documentation of computer-related work experience.

**NOTE:** To complete the minimum of 64 hours required for graduation at least 24 hours of electives should be selected that apply toward the bachelor's degree program into which the student intends to transfer. The student should consult the catalog of the college or university offering the bachelor's degree and with an advisor in the PRCC department identified in the list above. Failure to do so may result in taking courses that will not apply toward the chosen bachelor's degree.
