## MEDICAL ADVISOR:

Dr. Mark Molpus, M.D.

## PROGRAM DIRECTOR:

C. David Armstrong, M. Ed., R.T.(R)

## FACULTY AND STAFF:

C. David Armstrong, M. Ed. R.T. (R)	Program Director
Hope Husband, M. Ed., R.T. (R)	Clinical Coordinator
Debi Panquerne, R.T.(R)	Clinical Instructor, Hattiesburg Clinic
Dana Phillips, R.T.(R)	Clinical Instructor, Forrest General
Danny Lumpkin B.S., R.T.(R)	Clinical Instructor, Wesley Medical
Randy Parkman R.T. (R)	Clinical Instructor, Wesley Medical
Twana Marx R.T. (R)	Clinical Instructor, Memorial Hospital Gulfport
Cheryl Breland	Secretary

## SELECTION/ ADVISORY /CRAFT COMMITTEE:

M. Molpus, M.D.....	Medical Advisor
Bruce Robbins R.T. (R)	Shift Chief, FGH
C. D. Armstrong, M.Ed., R.T.(R).....	Program Director
H. Husband, M. Ed., R.T.(R).....	Clinical Coordinator
Danny Lumpkin B.S., R.T.(R).....	Clinical Instructor (Wesley Medical)
Randy Parkman R.T.(R)	Clinical Instructor (Wesley Medical)
D. Phillips R.T.(R).....	Clinical Instructor (Forrest General)
D. Panquerne, R.T.(R).....	Clinical Instructor, Hattiesburg Clinic
Twana Marx R.T.(R)	Clinical Instructor, Memorial Hospital Gulfport
Wayne Chance.....	Human Resources (Forrest General)
John Degi.....	Personnel Director (Wesley Medical)
D. Ford.....	PRCC Director of Admissions
J. Wesley.....	PRCC Counselor

## ADMISSION AND PHYSICAL REQUIREMENTS: (See ACT requirements page4)

Applicants must meet all P.R.C.C. Application requirements plus:

Be graduates of accredited high school or the equivalent and be 18 years of age by December 31 of the year in which they are applying. Excellent health, a sense of responsibility, integrity, a sincere liking for people, emotional stability, tolerance, and tact are all essential qualities desired in an applicant. The applicant must be physically capable of functioning in all aspects of Radiologic Technology. Therefore the student should:

1. Be capable of assisting the transfer of patient's to/from wheelchair and stretcher to radiographic tables, etc.
2. Be capable of preparing contrast media for usage as necessary.
3. Be of adequate height, weight, and size to reach the x-ray tube at its highest point when centered to the radiographic table and maneuver equipment.

**Any career or technical student who needs accommodation for a documented disability should notify Ms. Barbara Mathis in Poplarville or Ms. Deborah Hewitt in Hattiesburg. Ms. Hewitt's phone number is 601-554-5503**

If the prospect feels his/her disability will not affect his/her progress or jeopardize patient care, he/she may continue the application procedure with the normal process of interviewing with the Selection Committee. **Final** decision concerning admittance is at the discretion of the Selection Committee. Pearl River Community College Department of Radiologic Technology offers equal admission and educational opportunities to all persons and does not discriminate on the grounds of race, creed, color, sex, national origin, age, marital status, sexual orientation, or handicap. This policy applies to all aspects of admissions, enrollment, recruitment, hiring, placement, rate of pay, promotion, transfer, demotion, and termination.

**Deadline for Applications is March 1, 2007<sup>2</sup>**

# **PRCC Dept. of Radiologic Technology 2007-2009**

## **INTRODUCTION:**

The Pearl River Community College Department of Radiologic Technology is affiliated with Forrest General Hospital, Wesley Medical Center, Hattiesburg Clinic, and Memorial Hospital in Gulfport. Each center serves as clinical practice centers where students are provided the opportunity to gain experience and develop skills necessary to qualify for the American Registry of Radiologic Technologist Examination.

## **PROGRAM INFORMATION:**

The two-year Associate of Applied Science degree program begins in June of each year, which coincides with the beginning of the P.R.C.C. Summer semester.

The first semester of the program consists of classroom studies. Upon completion of this session, the clinical phase will begin with rotation through each assigned area. Due to the diversity in patient condition and work load, there are clinical assignments on weekend and evening shifts as deemed necessary by program officials.

Shifts will include the evening, 3 p.m. to 11 p.m., as well as 7 a.m. to 4 p.m. shifts to take advantage of patient availability at these times. During the second year of training, students have the opportunity to rotate through the specialty areas to allow insight into their options after graduation.

Maximum class size is limited to 20 students per year.

## **MISSION STATEMENT:**

The mission of the Radiologic Technology program at Pearl River Community College is to provide a quality educational experience in the radiological science profession and to help the student succeed both academically and clinically as an entry level radiographer.

## **The Pearl River Community College Department of Radiologic Technology**

### **Goals -The Program promotes its mission by preparing graduates to:**

1. The Program will graduate students with entry-level employment skills.
2. The Program will graduate students that are proficient in radiation safety practices.
3. The Program will graduate students that are proficient in patient care practices.
4. The Program will accept, retain, and assist the students to reach a high potential to succeed in radiological technology.

## **ACADEMIC REQUIREMENTS**

A minimum of C grade must be maintained in each course leading to the AAS Degree to remain in the Radiologic Technology Program.

## **SCHOLARSHIPS**

A scholarship will be available for a second year student who will be based on GPA as well as financial need.

## **In State Preference**

Students who are legal residents of Mississippi will be given preference in the selection process. Board policy requires 100% of applicants (if qualified) are in state students and that at least 60% of each class being chosen from in-territory students. Further information on these points can be gained from the Cat Country Guide.

**Deadline for Applications is March 1, 2007<sup>3</sup>**

# PRCC Dept. of Radiologic Technology 2007-2009

## **APPLICATION PROCEDURE AND ADMISSION STANDARDS:**

Deadline for completion of entire application procedure is **March 1**  
*Application Packet must be delivered complete in person.*

1. PRCC Radiology Application
2. PRCC General Admission Form
3. Complete in this packet must be an Official High School transcript sealed in envelope and school stamped. PRCC Registrar office personnel must open this original documentation.
4. If applicant has GED (Diploma Equivalence), then a GED Test Result Form with scores must be included.
5. American College Test (ACT) Scores-**18 Minimum** composite score documentation must be provided in packet.
6. ALL College transcripts (including PRCC transcript must be provided in application packet. All transcripts must be sealed in envelope and Department stamped This original documentation must be opened by PRCC Registrar office personnel.
7. Handwritten autobiography (1-3 pages)
8. Letters of Recommendations are required: (3-5 or more if applicant desires). Letters may be sealed in envelope and turned in by applicant or they may be mailed in to the Radiology Department @ PRCC.
9. Applicant must attend a Radiology Information Session & include session documentation in application packet. Information Sessions are scheduled for the first Monday of each month at 3:00 PM in Room 251 of the Allied Health Building on the Forrest County Campus. No appointment is needed for information session.
10. Following the Information Session, the applicant must complete 4 hours of observation at a Radiology Department to shadow a sophomore radiology student. Observation will be concluded with an exit interview with the Clinical Instructor or a Technologist at the facility. Appointments will be made for observations during the previously attended Radiology Information Session. (Item #9)
11. In order to be considered for admission to the PRCC Radiology Program, the applicant must have the provided Criminal History Form signed and notarized. The Confidentiality form for clinical tour and drug screening form must be signed. These documents must be returned in packet.
12. Completed Application Packet must be personally delivered to the Radiology Faculty and you will be issued a form for verification of completion.

*The completion of the above twelve items will allow the prospective student to be considered for an interview with the selection committee. Turning in complete packet does not guarantee the applicant an interview. The selection Committee's objective is to select the applicants who they feel have the potential to succeed in the program. The class will be no larger than 20.*

**Deadline for Applications is March 1, 2007<sup>4</sup>**

# PRCC Dept. of Radiologic Technology 2007-2009

## SELECTION OF STUDENTS

The Program Director and Clinical Coordinator will review students who have completed the application procedure. Appointments made for interview selection are made upon discretion of the PRCC Faculty. The purpose of the Selection Committee is to review prospective students' academic history and personal aptitude, and choose the applicants they feel have the best potential for completion of the Radiography Program.

## TRANSPORTATION

Students must provide their own means of transportation to and from P.R.C.C. and the clinical education centers.

## INSURANCE COVERAGE

Hospitalization and emergency treatment insurance is the responsibility of the student. All students are encouraged to have appropriate insurance due to the fact that they will be working with people that have many different illnesses.

## REQUIRED IMMUNIZATIONS

Upon beginning program, students must have a TB test and be in process of obtaining Hepatitis B vaccinations. Immunization Record Form 121 **MUST** be COMPLETE for college and university entry.

## PREGNANCY POLICY

Female students are allowed the option of whether or not to inform the program officials of their pregnancy. If she chooses voluntarily to inform Department officials, it must be in writing and indicate an expected date of confinement (delivery). In the absence of this disclosure, in writing, a student will not be considered pregnant. If a student chooses to disclose her pregnancy, she must have an option of continuing the educational program without modification or interruption. Other options can include modification in clinical assignments and/or leave of absence from the program.

Students will be allowed to continue with DIDACTIC studies but may opt out of clinical. Clinical will have to be made up day for day in order for the student to graduate.

“Addition to Forrest General Hospital Radiation Safety Policy”

12-Feb-99

Any badged employee that has become pregnant will receive radiation safety counseling. The radiology department of FGH will attempt to ensure that fetal exposure to ionizing radiation for the term of the Pregnancy will fall below the dose limit established by Federal Law (500 mR or .005 Sv in 9 months). In particular, for trauma procedures conducted with portable, or c-arm x-ray units, a closed-back lead apron will be worn at all times while on duty. Participation in the following procedures will not be allowed: milking the nuclear medicine generators, cath lab fluoroscopy, Interventional fluoroscopy, and all brachytherapy procedures with hot patients. If the pregnant employee so requests, real time electronic dosimeter can be provided.

**Deadline for Applications is March 1, 2007<sup>5</sup>**

# PRCC Dept. of Radiologic Technology 2007-2009

## AFTER ACCEPTANCE:

1. Applicant will be required to have Physical Examination
2. Drug Screening
3. Possible FBI Background Clearance

## Criminal History Record Check

All persons who provide direct, hands-on medical care in a patient's/resident's /client's room, or in a treatment or recovery room will be required to undergo a criminal history record check. Thus, all persons working in the above stated capacity in a hospital, nursing home, personal care home, home health agency, or hospice will be required to complete this check prior to working.

Mississippi Legislative House Bill No. 1077 was made into law. This law states: "If the criminal history record check discloses a felony conviction, guilty plea or plea of nolo contendere to a felony possession or sale of drugs, murder, manslaughter, armed robbery, rape, sexual battery, sex offenses listed in Section 45-33-23(f), child abuse, arson, grand larceny, burglary, gratification of lust or aggravated assault, or felonious abuse and/or battery of a vulnerable adult that has been reversed on appeal or for which a pardon has not been granted, the employee applicant shall not be eligible to be employed at the licensed entity."

## GRADUATION REQUIREMENTS:

1. Students receiving an Associate of Applied Science Degree must satisfactorily pass core curriculum and demonstrate competency in clinical education as well as computer operations. A grade of "C" is minimum requirements.
2. Successfully pass a comprehensive examination.
3. Be in compliance with the Code of Ethics for Radiologic Technologists. (See page 9)

## ELIGIBILITY FOR THE AMERICAN REGISTRY OF RADIOLOGIC TECHNOLOGISTS:

The purpose of the Registry is to examine and certify eligible candidates.

## ELIGIBILITY FOR CANDIDACY:

An applicant for Certification by the ARRT must:

- a) be a graduate of an approved program or demonstrate professional preparation equivalent to that of a graduate of an approved educational program
  - b) be a person of good moral character and must not have engaged in conduct that is inconsistent with the ARRT Rules of Ethics
  - c) agree to comply with the ARRT Rules and Regulations and the ARRT standards of Ethics; and
  - d) Pass the ARRT exam in the category for which its certification is being sought.
- The board of Trustees shall have the right to reject the application of any person for certification if the Board determines, in its sole and absolute discretion, that the person does not meet the qualifications for certification

## **CODE OF ETHICS FOR RADIOLOGIC TECHNOLOGISTS**

The Code of Ethics is intended to assist Registered Technologist and applicants in maintaining a high level of ethical conduct and in providing for the protection, safety and comfort of patients. The Code of Ethics

- I. The Registered Technologist conducts himself/herself in a professional manner, responds to patient needs and supports colleagues and associates in providing quality patient care.
- II. The Registered Technologist acts to advance the principal objective of the profession to provide service to humanity with full respect for the dignity of mankind.
- III. The Registered Technologist delivers patient care and service unrestricted by the concerns of personal attributes or the nature of the disease or illness, and without discrimination regardless of sex, race, creed, religion, or socioeconomic status.
- IV. The Registered Technologist practices technology founded upon theoretical knowledge and concepts utilizes equipment and accessories consistent with the purposes for which they have been designed, and employs procedures and techniques appropriately.
- V. The Registered Technologist assesses situations, exercises care, discretion and judgement, assumes responsibility for professional decisions, and acts in the best interest of the patient.
- VI. The Registered Technologist acts as an agent through observation and communication to obtain pertinent information for the physician to aid in the diagnosis and treatment management of the patient, and recognizes that interpretation and diagnosis are outside the scope of practice for the profession.
- VII. The Registered Technologist utilizes equipment and accessories, employs techniques and procedures, performs services in accordance with an accepted standard of practice, and demonstrates expertise in minimizing the radiation exposure to the patient, self, and other members of the health care team.
- VIII. The Registered Technologist practices ethical conduct appropriate to the profession, and protects the patient's right to quality radiologic technology care.
- IX. The Registered Technologist respects confidences entrusted in the course of professional practice, respects the patient's right to privacy, and reveals confidential information only as required by law or to protect the welfare of the individual or the community.
- X. The Registered Technologist continually strives to improve knowledge and skills by participation in educational and professional activities, sharing knowledge with colleagues and investigating new and innovative aspects of professional practice. One means available to improve knowledge and skill is through professional continuing education.

# PRCC Dept. of Radiologic Technology 2007-2009

## Pearl River Community College Financial Assistance

Pearl River Community College offers a wide variety of financial assistance programs, from federal, state, college, and private sources. These programs are designed to assist students in meeting the costs associated with attending college.

The *Financial Aid* booklet includes information, application deadlines, and regulation about the different types of assistance available at PRCC. It is important the student understands the policies regarding the assistance that is awarded to them, and to be aware of the academic requirements for maintaining eligibility. Also, a student must realize that all financial aid must be submitted before the deadline or assistance may no be available to them at the time of registration, therefore, an added expense may be added to the student before registration can be confirmed.

t

The financial aid staff is available to assist students who have any questions or who need additional information. The office is open between the hours of **8:00** a.m. to **4:00** p.m., Monday thru Friday. Their telephone number is **(601) 403-1211**.

## APPLIATIONS FOR ALL FINANCIAL AID SHOULD BE COMPLETED ASAP!

For information concerning **WIA** (Workforce Investment Act) scholarships, please contact **Missy Graves** at **(601) 554-5525** or **Amy Townsend** at **(601) 554-5512**.

### **FYI:**

You may also go online and complete your free application for **Federal Student Aid (FAFSA)**. Sometimes this may be a quick and sure alternative to ensuring that all proper paperwork is complete. The address for FAFSA is: [www.FAFSA.ed.gov](http://www.FAFSA.ed.gov). Important **FAFSA/PIN** reminders: Before you begin, you will need a pin number to sign your FAFSA electronically. Your **PIN** is the key to Online Financial Aid. You may apply for a pin number by visiting: [www.pin.ed.gov](http://www.pin.ed.gov). You can use this PIN number to sign in to FAFSA, review your FA award, correct your information, and reapply for financial aid, among other various activities. You may want to set up your PIN number then go on-line to complete your Financial Aid application process. Your PIN number will be e-mailed to you within 1 – 5 days. **Please note:** you may want to **print** important documents for your verification.

**Deadline for Applications is March 1, 2007<sup>11</sup>**

# **PRCC Dept. of Radiologic Technology 2007-2009**

For more information about the FAFSA program, you may call 1-800-433-3243. You may view the Student Guide by visiting [www.studentaid.ed.gov/guide](http://www.studentaid.ed.gov/guide). For online resources that cover the full range of financial aid visit, [www.studentaid.ed.gov](http://www.studentaid.ed.gov).
