In the President’s Report, Dr. Lewis briefly discussed a letter and supporting material from the Gun Free Kids organization. This material, entitled “Campaign to Keep Guns off College Campuses” was distributed to board members at the February 8, 2011 meeting. Dr. Lewis stated that the Guns Free Organization is asking for support of a resolution to oppose legislation that would pre-empt an educational institution’s right to prohibit or adopt policies to regulate possession of firearms on campus. He added that no recommendation is forthcoming on the endorsement of this campaign, but the College is reviewing its current policy on firearms. No action was taken on this matter.

Dr. Lewis provided update reports for the following facility projects:

- The Holden-Brownstone Center for the Performing Arts project will, hopefully, be rebid within the next six to eight months. Architects and College administration continue to work on the rebidding process.
- The M. R. White Coliseum rebuilding project continues to have unresolved questions from FEMA regarding the construction of this facility. College administration continues to work toward a resolution of these issues.
- The Career-Education Center (for the Forrest County Center) is progressing on schedule with the bidding process expected by June 2011.
- The Forrest County Center Master Plan is underway. Architect Larry Albert will present a complete proposal to the board once the Master Plan is completed. With added funds from the Bureau of Building, Grounds and Real Property Management, the total cost for this project is $21,000.
- The Forrest County Center Road Project funding has been discussed with Congressman Steven Palazzo. The College is hopeful that federal funds can be secured for this project.

There being no further business to come before the Board of Trustees, a motion was made by Mr. Knight, seconded by Mr. Purvis, to adjourn. The motion carried, and the meeting was adjourned at 1:40 p.m.
In closing, Dr. Lewis reminded everyone that the March board meeting will be held Tuesday, March 1, 2011, in the Olivia Bender Cafeteria Board of Trustees Room. This is one week early due to the College’s Spring Break (March 7-11, 2011).
