Institutional Effectiveness Newsletter

PRCC Mission

PRCC is a public institution committed to providing quality educational and service opportunities for all who seek them.

Strategic goals

- To prepare students to transfer and be successful in their studies at baccalaureate institutions and/or to be successful in careers for which they have been prepared.
- To provide quality student services.
- To provide access to college courses and programs using various instructional methods, including distance education.
- To employ qualified faculty and staff, compensate them well, and provide opportunities for professional development.
- To provide facilities, technology and support staff in order to improve student learning, enhance faculty and staff performance, augment community services, and make College services available via the Internet.
- To improve communication among campus personnel and community members regarding the College goals, objectives and activities.
- To recruit and retain students from a diverse population.
- To provide workforce training programs that meet requirements of business, industry, educational and public service agencies for basic skills, specific job skills, and technical training.

Graduate Report for 2009-2010

Pearl River Community College (PRCC) is committed to providing a quality educational experience for all students; therefore, graduating students' opinions and input are solicited concerning their educational experience at PRCC. The first online survey was piloted with a sample population of students who planned to graduate in May 2010.

Survey results indicated that 69.7 percent planned to continue their education beyond the community college, while 27.6 percent of students surveyed planned to enter the workforce after graduation.

Approximately 68 percent of students surveyed responded that they either had been employed full-time or part-time while enrolled at PRCC.

Of the students surveyed, 86 percent indicated that a sense of belonging was important or extremely important to them, and 96 percent were satisfied or extremely satisfied with a sense of belonging at PRCC.

Of the graduates surveyed, 96 percent indicated that PRCC had prepared them more than adequately or exceptionally well to either continue their education or
