Student Success Center to Help With ROAR Orientation!

The SSC will be heavily involved with the new ROAR Summer Orientation sessions throughout the summer. We will primarily be working with entering freshmen students required to take two or more developmental courses.

These new students will enroll in the LLS 1313 Orientation course where they will learn strategies for being a successful college student and will participate in Pre-Core advising.

Operation Fahrenheit 451: Developing a Burning Desire to Read!

The Forrest County Student Success Center continues to make strides towards actively engaging in the campus and community service initiative “Operation Fahrenheit 451: Developing a Burning Desire to Read!”

In an effort to obtain as many books as possible, the deadline was extended beyond April 11th to April 30th.

PRCC had a valiant campus effort among PRCC faculty, staff, and students who selflessly donated to support our community efforts. The books were collected, sorted based on age/reading levels, and distributed to designated local schools this month. Based on the final count, students admirably collected over 347 books in support of the literacy initiative.
SSC Student Leaders Recognized

Forrest County Campus

A graduation pinning/recognition ceremony was held on Wednesday, May 7, 2014 in honor of SSC Peer Mentors and Spring 2014 Peer Mentor graduates. The ceremony and reception demonstrated a gesture of appreciation for the support and effort that SSC Peer Mentors provide to the center. Peer Mentors work daily to assist students in achieving their academic goals, yet often not recognized for their efforts in doing so, so this was a way to give back. The ceremony was well attended by PRCC administrators, faculty and staff members of whom the Peer Mentors purposefully identified as playing an influential role in their academic success while at PRCC.

Poplarville Campus

We are so proud of our Poplarville student leaders. Not only did they excel in helping our students succeed this past year, but they also excelled academically as model students! At the PRCC Awards Day ceremony, our students received recognition for academic excellence in history, criminal justice, art, and business. Some received the Who’s Who Among American Community College Students. Way to go!

Food for Thought

“We are all inventors, each sailing out on a voyage of discovery, guided each by a private chart, of which there is no duplicate. The world is all gates, all opportunities.”

–Ralph Waldo Emerson

Need a part time job for the Fall Semester?
