It’s that time of year. If you plan to transfer to a senior university or college next semester, check out the tools we’ve prepared for you in this process! The PRCC Transfer Guide and Career Resources Guide are available in the SSC. Let use help you create an e-portfolio which will set you above others when applying to universities. Stop by for a visit and we’ll be happy to help you navigate this next step in your academic journey!
The Student Success Center collected personal hygiene items for donation to the Jacob’s Well Recovery Program. Several buckets of toothbrushes, toothpaste, feminine products, cleansing products, shampoo, bath soap and other toiletries were collected over the month of February. Ms. Ginger Mitchell organized the collection and is pictured with just some of the baskets filled with items. We thank everyone for their generous donations and we will continue to collect donations through the end of March.

Tutoring Available in the Math Lab

SI Leaders have begun tutoring for Beginning Algebra, Intermediate Algebra and College Algebra during specific hours in the Math Lab. Check with Mrs. Martineau for details about when students are available.

All SI Leaders have received specific training on how to be a good tutor, learning strategies, and leadership. They are excellent at helping students overcome trouble areas. Instructors, if you have students who are struggling in one of your math classes, send them over to work with an SI Leader. Students, if you need help, don’t hesitate to ask!

Success is what we’re all about!

Like us on Facebook

The Student Success Center is proud to announce the official launch of a Facebook page! The purpose of this Facebook page is to utilize social media to connect with students. On this Facebook page students will be alerted to campus events, campus news, and occasional student success tips. The Learning Specialist at each campus is responsible for updating the page. If you have anything you want posted, let us know! Here is where to go to “like” our page:
