PRCC Title III Grant – Now in our 4th Year

October 2012 marked the beginning of the fourth year of our grant. This year our focus is on helping students succeed in mathematics courses and assisting students in our 1st Year Cohort at the Forrest County Center to stay on track for completing courses leading to graduation. In addition, we are working with all PRCC students to help them succeed as a college student through the variety of services we offer. We encourage all to take advantage of these opportunities!

Tutoring Now Available

English and math tutoring are now available in the SSC for students enrolled in Intermediate English, English Comp I, Beginning Algebra, Intermediate Algebra, and College Algebra. Come by the SSC and sign up for appointments. For more information call 601-403-1422 in Poplarville, or 601-554-5554 in Hattiesburg.

Students Activate Your GradesFirst Account

Your GradesFirst account will give you the most up-to-date information on recorded absences, faculty contact, and your mid-term and final grades. Instructions have been forwarded to your PRCC email.

For assistance, call 601-403-1414.

Hygiene Baskets

The Student Success Center is holding a hygiene basket drive to collect items for the Jacob’s Well Rehabilitation Center for Women. Jacob’s Well is a local safe haven for women in our community. Some of the items that are on the top of the list include, but are not limited to toothpaste, toothbrush, deodorant, bath sponge, shampoo, conditioner, hair brush, body wash, and feminine hygiene products. All donations will be greatly appreciated. Please do not bring anything with alcohol including mouth wash. The deadline for donations is March 1st so hurry in to the SSC, second floor of Crosby Hall, to give back to your community.

Hygiene Basket Drive

Thanks to Ginger Mitchell for organizing this community outreach project.
Peer Mentors and SI Leaders are quite busy this semester! To begin, SI Leaders continue to support students in various math and English courses. In addition, SI leaders and peer mentors are available in the computer lab to help all students who need extra help in English, Math, and basic study skills. The Peer Mentors have enjoyed this time working with students and to date, student response has been positive.

The computer lab continues to fill with students, and we seem to get busier and busier. We are excited about the increasing student traffic and support. Instructors who wish to utilize the computer lab or classroom for a class assignment can reserve a time by contacting Dr. Purvis at 601-554-5554, email apurvis@prcc.edu.

This are just a few of the Peer Mentors and SI Leaders at FCC.
