Please return this cut out form with your payment to the Business Office:

Pearl River Community College
Business Office
101 Highway 11 North

Residual ACT Test

**PEARL RIVER
COMMUNITY COLLEGE**

www.prcc.edu

Residual Testing for the ACT

The residual ACT program is provided for current or potential students at Pearl River Community College who may not have been able to take the National ACT. Results are reported only to Pearl River Community College. No Student Reports or High School Reports are generated and no Additional Score Reports will be generated to report scores to any other college. Please note that residual testing is not accepted for NCAA initial eligibility.

If you have taken the ACT through residual testing within 60 days of your testing date you will not be allowed to test on your selected date. Registration for each administration of the residual ACT is space-limited. To guarantee a seat and to avoid late fees, please return your registration form **no later** than one week prior to your selected test date.

Identification

You must provide proper photo identification on the test date. The following methods are acceptable forms of identification:

1. Current photo ID issued by your school, employer, or city/state/federate government. Your best bet is to bring your driver's license or current passport. Your name and photo must both appear on the ID.
2. Published Photo: Recognizable individual photograph of you in a recent yearbook or newspaper that includes both your name and photo.
3. School Letter of Identification: Your school counselor or principal may provide ID on school letterhead. This letter must include your name and full physical description. You must sign the letter in the presence of the school official (who may not be related to you) and that official must also sign the letter.
4. Notarized Statement with Photo: Attach a current photo of yourself to a statement that you are the person in the photo. This statement must include your name and photo and be signed in the presence of a notary public. The notary stamp must be affixed to a portion of the letter and photo.

What to bring on test day

- PHOTO ID
- Three #2 sharpened lead pencils
- A battery-operated calculator for the math section.

No food or drink is allowed in the testing room.

BEFORE YOU REGISTER:

If you have taken the Residual ACT within 60 days of your testing date, you will not be allowed to test.

It is **your** responsibility to provide an acceptable form of identification.

Plan on spending at least four (4) hours at the testing center.

Your scores for the Residual ACT are only applicable to Pearl River Community College. We will not report scores to other colleges or scholarship agencies.

Testing space is limited. Do not delay.

A late-fee will be applied to applications not received one week or sooner before the test date.
