## Career-Technical Scholarship

For graduates of schools having an articulated training agreement with Pearl River Community College, full tuition and half tuition scholarships will be awarded to entering career-technical freshmen who meet the following qualifications:

- High school diploma
- Completed a two-year career-technical program in high school
- Enroll full time (within a year after high school graduation) in a career-technical program at PRCC
- Full tuition scholarships require overall "B" average or above in high school
- Half tuition scholarships require overall "C" average in academic courses with an "A" average in career-technical program courses in high school

## Requirements for Admission

- Official copy of high school transcript or official copy of GED scores
- Completed application of admission (also available online at [www.prcc.edu](http://www.prcc.edu))
- College/University transcript (if applicable)
- Official copy of ACT scores

Submit the above documents to:

Office of Admissions  
Pearl River Community College  
101 Highway 11 North  
Poplarville, MS 39470

## Why College?

Research shows that education pays. Students who complete associate degrees and certificates are more likely to move into professional positions with higher earnings. Students with a solid education beyond high school can expect to earn an average of \$250,000 more than people with only a high school diploma.

### About the Program

The Utility Electrical Technology Program is a modular program designed to prepare workers for electrical power transmission and distribution industry. Students can pursue a two year associate or applied science degree or a certificate of proficiency.

### Career Opportunities in the Field

The need for skilled electrical utility workers in South Mississippi and the United States is expanding. Department of Labor statistics project over the next 5-10 years, this industry stands to lose more than half of its workforce from workers retiring. The average pay on a line crew ranges from \$12-\$30 per hour depending on job responsibilities, personal abilities, and experience.
